CHORUS:

I'll give you one more chance to do some good
 I'll give you one more chance do as you should
 I'll give you one more chance to do some good
 I'll give you one more chance do as you should

The Ninevites must have been waiting to hear
Because they listened to Jonah everyone was sincere
They put on sackcloth and prayed all day
We love you Lord - don't take our lives away

God saw what they did and how they changed their ways
He had compassion on the people and their lives were saved
To tell God's message you have to be brave
The message today is, "Jesus saves"
